To Whom it May Concern:

I am delighted to write a letter of recommendation on behalf of Luciane Ribeiro and her fabulous school, Children's Connection at 614 Trapelo Road in Belmont, MA. My son, Henry, is in his second year at Children's Connection and each day he comes home excited to tell me about the day's adventures. He will frequently declare, "This was the best school day ever!"

I can certainly understand his enthusiasm. Luciane manages to create a stimulating, yet relaxing, environment every day. She excels at following the children's interests and moods and guiding them through a day uniquely tailored to their needs. Henry's school days with Luciane truly reflect the principle that 'children learn best when they are playing and having fun.'

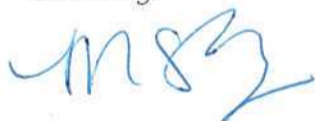

I am impressed by the artwork, music, outdoor adventures and writing Luciane is able to guide them through on a daily basis. She possesses a wonderful combination of energy and serenity that engages the children and helps them joyfully experience their time together.

The physical space at the school is outstanding. It is beautiful, full of light, and everything in the space is thoughtfully considered for the kids' interests and needs.

I have referred friends to Luciane's school and they have all been equally delighted with their experiences. I am confident that she can handle an increased number of children in her school without compromising the quality of the experience.

I would be happy to answer any questions you might have about my experience with Luciane Ribeiro or her school, Children's Connection. Please feel free to call me anytime at 617.484.7703 (h) or 617.388.7655(m).

Sincerely,

Martha Saillant Brown
