To Whom It May Concern:

We are writing on behalf of Ms. Luciane Ribeiro, a daycare professional, in order to recommend that she be allowed to increase her class size from six children to ten.

Our daughter, Isabella Maldarelli, who is now five years old, was a student of Ms. Ribeiro's for three years, and we were extremely pleased with the care and guidance that she provided. From everything we saw during those years, it was apparent that Ms. Ribeiro is wonderful with children, and she always planned interesting activities and projects to occupy the children. She always impressed us as being a capable, friendly, trustworthy, and motivated caregiver. Isabella definitely enjoyed spending time in her care. Furthermore, when we dropped off Isabella to Ms. Ribeiro's home and picked her up later, the home was always orderly, and Ms. Ribeiro was always calmly in charge of the situation. We are so impressed with the level of care Ms. Ribeiro provided to Isabella that we intend to enroll our younger daughter, Katarina, into Ms. Ribeiro's daycare next year.

We heartily recommend Ms. Ribeiro and feel confident that she is fully capable of giving the same level of care to a larger group of children.

Sincerely,

Andrea & Frank Maldarelli
