To Whom it may Concern,

We are writing in support of Luciane Ribeiro and the Children's Connection of Belmont, MA. We have used this facility for our two children and have been thrilled with their services. Our two children attended from the age of 2 years through 4 years of age. They were consistently eager to go to "Luciane's" and still ask about when they can go back to visit.

The facility is beautifully set up, spotless, and we have never heard of even a boo-boo happening to any of the children. They always came home with lovely and well thought out art projects. They went outside frequently and were always appropriately dressed. The snacks and meals that she provided were balanced and loved by our children.

We have recommended this provider and facility many times without reservation. Please contact us any time with any questions you may have, it would be our pleasure to recommend her in person.
